

Sunscreen

Parents provide the product of your choice, clearly labeled with your child's name. Little Seedlings staff will apply the product to exposed skin, just prior to afternoon outdoor playtime. It is recommended that parents apply sunscreen each morning before school to protect the child during morning playground times.

Diaper Rash Product

Parents provide the product of your choice, clearly labeled with your child's name. Little Seedlings staff will apply the product as needed throughout the day.

Lotion, Ointment, Lip balm

Parents provide the product of your choice, clearly labeled with your child's name. Little Seedlings staff will apply the product as needed throughout the day. Once the product is near empty, you will be notified that our supply is close to being depleted. These products will be stored out of reach of the children and applied under the supervision of Little Seedlings Childcare staff.
